## Safety Eyeglass Neckstraps

Do your employees keep misplacing their safety glasses? Dropping them on the floor and scratching them up? Issue a neckstrap to everyone and see your eyewear expenses drop dramatically. These black woven nylon lanyards are 24" long to conveniently and comfortably hang your glasses around your neck when not in use. Flexible loops on each end slip easily over eyewear temples. 6 each per pak.

**#196-2715**

**\$3.50/pak**

## Jackson Safety VPC MonoGoggle

These fog-free chemical splash goggles are made with clear, optical grade polycarbonate lenses for perfect clarity. The goggles fit over prescription lenses. A soft, flexible nosepiece and easily adjustable strap make these comfortable to wear. Meets ANSI Z87.1-2003 standards.

**#192-7099**

**\$4.90/pair**

*Now serving you from three locations:*
