

AM2400D™

Air Mover

- **Energy efficient 3-speed motor delivers up to 2,400 CFM**
- **Onboard outlet for daisy-chaining up to 3 units**
- **Lightweight, compact and stackable**
- **Optional trolley kit with wheels and retractable handle for easy transport**

The powerful yet compact AM2400D™ air mover provides the power and versatility to quickly dry floors and circulate air. A 3-speed induction motor with thermal protection delivers up to 2,400 CFM air flow while minimizing energy usage. Four position settings provide flexibility for directing air movement while the built-in power outlet allows for daisy-chaining up to three units for maximum efficiency. The AM2400D, with an optional trolley kit with transport wheels and retractable handle, is lightweight and stackable, making it easy to carry, store and transport. Protected by a strong roto-molded housing, the AM2400D is robust and ready to work.

Stackable (up to 3) for easy storage.

Optional trolley kit, with transport wheels and retractable handle.

Three-speed fan with built-in power outlet.

Daisy chain up to 3 units.

(part number VV78406)

Powerful and Versatile

- Delivers up to 2,400 CFM
- Energy efficient 3-speed motor (High, Medium, Low)
- Multiple position settings for directing airflow
- Daisy chain up to 3 units for maximum efficiency

User Friendly

- Compact and lightweight
- Stackable
- Optional trolley kit with wheels and retractable handle make it easy to transport

Reliable

- Induction motor with thermal protection for safety and long life
- Robust roto-molded housing
