- Dermatologist tested; non-irritating
- Kosher Certified

SIMPLIFY HAND HYGIENE COMPLIANCE

GOJO Hygiene Management System

GOJO E2 Foam Sanitizing Products are part of a comprehensive program that supports effective and compliant hand hygiene. The program includes products that meet federal guidelines and help reduce risk. It's a simple, hassle-free system complete with compliance building tools that are easy to implement.

- **Products** - Effective and compliant products for use in all areas of your facility
- **Dispensing** - Durable dispensing systems that result in less time, cost and waste
- **Training Program** - Language neutral training DVD with trainer's guide and explanations of why, when and how to use the program

NSF Registered

All GOJO and PURELL® products rated E1, E2, E3 and E4 meet guidelines for use in food processing facilities and are listed with NSF International Nonfood Compounds Program.
