

Kleenex® Ultra* Moisturizing Foam Hand Sanitizer

34643

Features & Benefits

Scott Control provides enhanced hygiene solutions for critical environments. Staying clean and healthy should feel good, and using Scott Control Ultra Moisturizing Foam Hand Sanitizer is an easy choice. It kills up to 99.9% of the most common bacteria that can cause infection, contamination and illness. The no rinse moisturizing hand sanitizer is produced with cucumber, green tea, and sugar beet extracts. Foam stays on hands during use better than gel. This formula is ultra-moisturizing. In fact, tests show it improves skin hydration by 30%, leaving hands feeling nourished and healthy. It's a great choice for places where frequent hand cleaning is necessary – as in medical and food service environments. It is NSF International-listed as a category code E3 hand-sanitizing product for use in USDA-regulated food processing environments. Whether you're responsible for a retail location, food service organization, you'll want to buy Scott Control moisturizing hand sanitizer in bulk, so your guests and employees have access.

- Scott Control Ultra Moisturizing Foam Hand Sanitizer kills up to 99.9% of the most common bacteria
- The bottle is designed to dispense small amounts of foam at a time, so your guests and employees get what they need. It fits with a compatible wall-mount bracket, made by Scott Control Professional
