

EcoCare® 350 & 360

PRODUCT DESCRIPTION

EcoCare® 350 and 360 are specially formulated hand sanitizers for use by brewery, beverage, dairy and food processing plant personnel. Both comply with FDA regulations.

BENEFITS

Saves Time and Money

- ▲ Designed for sanitizing the hands of plant personnel on the process floor. No need to rinse or towel dry.

Promotes Quality Assurance

- ▲ EcoCare Level 300 products meet former USDA efficacy guidelines for E3 hand sanitizers.
- ▲ Contains emollient to leave hands feeling soft.
- ▲ In laboratory testing, EcoCare 350 is effective against *Escherichia coli*, *Escherichia coli* O157:H7, *Klebsiella pneumoniae*, *Listeria monocytogenes*, *Salmonella typhi*, and *Staphylococcus aureus*.
- ▲ In laboratory testing, EcoCare 360 is effective against *Escherichia coli* O157:H7, *Klebsiella pneumoniae*, *Listeria monocytogenes*, *Salmonella typhi*, and *Staphylococcus aureus*.
- ▲ EcoCare 360 is not recommended for use in cheese operations involving cultures that are sensitive to the presence of Quaternary Ammonium containing compounds.

Convenient to Use

- ▲ Available in a wide variety of touch and no-touch dispensers.
- ▲ Effective supplement to regular hand washing with an EcoCare Level 200 product.

STATEMENT OF ASSURANCE

This product is effective under the intended conditions of use as outlined on the product label or specified in a Sanitation Standard Operating Procedure (SSOP). A Letter of Guaranty as indicated in USDA's Sanitation Performance Guideline is available from your Ecolab representative.
