WorkRite

Group 474

WorkRite is a super popular product...but not just for its good looks! It's got a combination of talents that is hard to beat. Its original lightweight design and molded-in beveled edges truly set the standard for ALL other rubber mats to come. It is economical, suitable for both wet [non caustic] and dry areas, and simple to keep clean with its hygienic hole design. WorkRite is a franchise player that refuses to compromise its performance. For that reason alone, it earns our lasting respect!

- Lightweight design for frequent cleanings
- Natural Rubber
- Molded-in safety edges
- Overall thickness 1/2" (13 mm)

Type	Anti-Fatigue Matting
Suitable Environment	Dry, Wet
