

PCC Alkali™

PRODUCT DESCRIPTION PCC Alkali™ is a granular heavy-duty alkaline cleaner for circulation, soak, or boil-out cleaning of high temperature processing equipment such as kettles, fryers, or HTST's. It is particularly effective for the removal of tenacious fat and grease-based soils.

BENEFITS **Promotes Quality Assurance**

- ▲ Quickly penetrates and removes tough soils.
- ▲ Complete product; no additives required for effective cleaning.
- ▲ Low-foaming formulation ensures efficient circulation cleaning, even at reduced flow rates.

Protects Equipment Investment

- ▲ Non-corrosive to stainless steel, mild steel and black iron, when used as directed.
- ▲ Thoroughly cleaned equipment surfaces allow efficient heat transfer for optimum processing.
- ▲ Equipment may be turned around rapidly for production, minimizing down time.

PROPERTIES	Form	powder	pH 1% solution	12.8
	Color	white	Alkalinity	
	Odor	none	Active as Na ₂ O	63.2%
	Foam	low	Total as Na ₂ O	65.9%

Formula ingredients contain not more than 1.8% phosphorus, 2.1 g per gal. of average recommended use concentration.

DIRECTIONS FOR USE For soak, circulation and spray cleaning, use 0.25-8 ounces per gallon (2-60gm/l) of water at a temperature of 120° - 180°F. Surface should not become dry during cleaning.

Consult your Ecolab Representative for specific use instructions and recommended dispensing equipment.

For cautionary and first aid information, consult the Material Safety Data Sheet (MSDS) or product label.

STATEMENT OF ASSURANCE This product is effective under the intended conditions of use as outlined on the product label or specified in a Sanitation Standard Operating Procedure (SSOP). This product will not adulterate food product provided that before using it, food products and packaging materials are removed from the room or carefully protected and after using these compounds, surfaces are thoroughly rinsed with potable water.

A Letter of Guaranty as indicated in USDA's Sanitation Performance Guideline is available from your Ecolab representative.

ECOLAB SUSTAINABILITY POLICY We have a commitment to our customers to provide effective programs that help protect the health and safety of their customers and employees. We will sell products or services that maximize performance, limit total environmental impact, and are safe as our customers commonly use them. We will inform our customers of the environmental impacts of our products or services, and of their correct use.
