

QUORUM[®]

BROWN/ CAFE

PRODUCT DESCRIPTION

Quorum[®] Brown/Cafe is a liquid, heavy-duty built alkaline detergent, formulated for removal of burnt-on soils from high temperature processing equipment surfaces, such as kettles, fryers, vats, and heat exchangers.

BENEFITS

Promotes Worker Safety

- Color coded; minimizes the chances of mix-ups or mis-use.
- Complete product; no additives required.
- Liquid formula ensures rapid solubility.

Promotes Quality Assurance

- Designed specifically for food processing applications.
- Non-corrosive to stainless steel or black iron surfaces when used as directed.
- Effectively removes carbonized or burnt-on organic soils such as fats, carbohydrates, and proteins.
- Low-foaming surfactants ensure effective circulation cleaning.
- Water conditioning properties enable control of mineral scale under most water hardness conditions.

ECOLAB[®]

BROWN/CAFE

PROPERTIES

Form	liquid	Alkalinity:	
Color	clear dark brown	Active as Na ₂ O . . .	34.3%
Foam	low	Total as Na ₂ O	35.0%
pH (1% solution)	12.7		
Specific gravity at 68°F (20° C)	1.495		
Pounds per gallon	12.45 (5.65 kg)		

Formula ingredients contain no phosphorus.

TO USE

Quorum® Brown/Cafe is formulated for use to clean stainless steel surfaces.

For boilout and cleaning of fryers, heat exchangers, and HTST's, use concentration should be 0.5-3.0%.

Consult your Ecolab representative for specific use instructions and recommended dispensing equipment.

For cautionary and first aid information, consult the Material Safety Data Sheet (MSDS) or product label.

STATEMENT OF ASSURANCE

This product is effective under the intended conditions of use as outlined on the product label or specified in a Sanitation Standard Operating Procedure (SSOP). This product will not adulterate food product provided that before using it, food products and packaging materials are removed from the room or carefully protected and after using these compounds, surfaces are thoroughly rinsed with potable water.

A Letter of Guaranty as indicated in USDA's Sanitation Performance Guideline is available from your Ecolab representative.
