GP PRO Dixie Ultra® SmartStock® Series-O Bio-Blend Plastic Combo Spoon Refill, Beige

Take sustainability to the next level.

Description:

Bio-Blend Cutlery is the perfect addition to your SmartStock® Touchless Dispenser and is the most sustainable choice in our SmartStock product line.

Features & Benefits:

- » Contains an average of 30% renewable content.*Renewable material may include: cellulose fiber from trees or sugar cane that are regenerated at a faster rate than they are used, starch and/or PLA that come from plants, and other naturally renewable materials.
- » Reduces usage on average by 29% compared to open bins.
- » Reduces plastic resin used by 30% compared to SmartStock medium-weight polystyrene cutlery.
- » When used in combination with a SmartStock cutlery dispenser, reduces plastic resin by 50%.
- » Natural beige color complements the sustainability message.
- » Promotes source reduction.
- » Is suitable for high heat foods (up to 200 degrees).
- » Helps manage materials so they never enter the waste stream.
- » Can help earn LEED credits
