Disposable Round Aluminum Dishes with Tabs

[Home](#) > [ETI Products](#) > [Round Crinkle Dishes](#)

Multi-Use

Evaporating dish, weighing dish, parts container, dust cover and more.

Clean

No oil residue, no vinyl coating to create contamination problems for the user.

Strong

Crimped sides for rigidity, sturdy gauge for heavy duty use.

Precision Made

Large tab for sample numbers, flat bottom to improve sample handling, sides are angled for easy separation.
