Subject: Carlisle Food Service Products

Dear Customer,

Carlisle Food Service Products has an ongoing dedication to the protection of our customers through proactive verification of the safety of our products.

This letter is to verify that the following items:

40004XX Multi-Purpose Valve & Fitting Brush 16" Diameter
40000CXX Sparta Bottle Brush 12 " Long
40001CXX Sparta Bottle Brush 16" Long

are manufactured using plastic materials safe to come into direct contact with food for human consumption. The plastics used are all considered acceptable for direct contact with food by the US Food and Drug Administration under the requirements of 21 CFR, Parts 170 to 199.

These items are offered for sale worldwide, including the country of origin.

We value your business and will continue to assure that Carlisle products are safe for food preparation, service and storage.

Best Regards,
