SUBJECT: FDA COMPLIANCE CERTIFICATION - STYLE #37 SERIES SOLVEX®

Dear Valued Customer:

Thank you for requesting information concerning the suitability of Ansell **#37 Series Solvex®** styles for use in direct food contact applications. Applicable styles include:

37-145 (11 mil, 13 inch, unlined)

37-155 (15 mil, 13 inch, unlined)

37-165 (22 mil, 15 inch, unlined)

37-175 (15 mil, 13 inch, flock-lined)

37-185 (22 mil, 18 inch, unlined)

Please be advised that all components used in the manufacture of these styles are in compliance with applicable FDA food additive regulations as prescribed by the FDA Code of Federal Regulations, Title 21, Part 177, Section 2600 (21 CFR 177.2600), "Rubber articles intended for repeated use", and therefore are acceptable for use in USDA-regulated food processing and food handling establishments.

If you require further assistance, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, which appears to read "Paul B. McMorrow". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
