**NSK24**

Blue

Providing excellent protection from a wide array of solvents, oils and acids, SHOWA NSK24 is a super flexible, watertight, knit-lined nitrile glove that is engineered with SHOWA's biodegradable Eco Best Technology (EBT) technology.

## FEATURES

- 100% nitrile coated
- Cotton interlock liner
- 14 in. / 350 mm long
- Rough grip
- Ergonomic design hand mould that replicates the natural curves

## BENEFITS

- Double nitrile coating provides excellent chemical, oil and abrasion resistance
- Nitrile protects the hand from oils, hydrocarbons and grease penetration
- Cotton/polyester liner absorbs perspiration and adds comfort
- Protects the hand and the arm, as well as providing comfort and touch sensitivity
- The rough textured finish ensures excellent grip
- Impermeable for working in damp or greasy environments
- No latex allergy risks
- EU Food safe approved

## [ USER INSTRUCTIONS

Protection against mechanical risks, with electrostatic properties. Do not use where there are chemical, electrical, thermal or entanglement risks. Wash at 40°C max. Performance levels as per standard EN388 retained after 3 washes, subject to variations linked to actual usage conditions. The performance levels apply to the coated surface only. Store in a dry place, away from the light. All clothing and shoes worn with the glove with electrostatic dissipation properties must also be designed taking the electrostatic risk into account.
