

## 89000 - Alliance® High-Capacity Electronic Roll Towel Dispenser, Black Translucent

### Features and Benefits

Alliance® has nearly twice the capacity of typical electronic towel dispensers, offering the highest capacity in the industry. The Alliance® dispenser's revolutionary design accommodates two full rolls of towels — up to 1,000 feet each — to keep traffic moving in the busiest areas. Combined with EcoSoft®, DublNature® or Artisan® Green Seal[™]-certified roll towels, Alliance® offers a new, unique hand drying experience superior to other systems in the market. An advanced patent-pending electronic system seamlessly transfers between rolls with no need to move stub rolls. Simply replace the empty roll, and the dispenser will prepare the new roll then switch back to the smaller roll for optimum efficiency. Unprecedented capacity — holds two full rolls of towels. Seamless roll transfer with no need to move stub rolls. Battery and product status indicator lights to streamline service. Variable paper length - 11 inch or 18 inch. Dispenses up to 80 rolls of 1,000 foot towels on a single set of batteries. Supports principles of HACCP (Hazard Analysis and Critical Control Point).

Accommodates a variety of 8 inch controlled towel choices in Artisan®, DublNature® and EcoSoft® brands.

### Technical Specifications

**Brand Name:** Alliance®  
**Product Number:** 89000  
**Product Level:** Select  
**System Identifier:** H80 System  
**TorkSelect:** --  
**Replaces:** --  
**Description:** Alliance® High-Capacity Electronic Roll Towel Dispenser  
**Color:** Black Translucent

### Technical Specifications (cont.)

**Material:** Plastic  
**Country of Origin:** United States  
**Dispenser Dimensions HxWxD (Inches):** 12.6875 x 19.3125 x 11  
**Dispenser Capacity:** 2 Rolls  
**Units Per Case:** 1  
**Approx. Lbs. Per Case:** 12  
**Cubic Feet Per Case:** 1.73  
**Approx. Product Net Wt Per Case:** 10.5  
**Dispensers Per Tier:** 7  
**Cases Per Tier:** 7  
**Tiers Per Unit Load:** 7  
**Unit Order Quantity (Cases):** 49  
**Case Dimensions LxWxH (Inches):** 13.12 x 19.62 x 11.62  
**Dispenser Key Number:** Wausau Dual Key 18002  
**Meets ADA Technical Requirements:** ADA Compliant  
**Product Options:** 30620, 31040, 34540, 38040, 31000, 31300, 31400, 31500, 31600, 31900  
**Dispenser Parts:** --  
**Shipping Container Code:** 0 85806 89000 0  
**Inner Pack UPC:** --  
**Additional Info:** Special Order Colors: White (87560)
