

Kleenex[®] Hard Roll Towels

50606

Features & Benefits

Drying is one of the most important steps in the hand washing process, and how you dry matters. Forced air dryers and hot air dryers can take two or even three times as long to use as a paper towel, and studies show that, while the overall cost per use is comparable, the likelihood of spreading germs is greatly reduced with the use of absorbent, single-use drying towels, such as white Kleenex[®] Hard Roll Paper Towels. Germ counts are significantly lower following the use of a touch-free paper towel dispenser (like the compatible Sanitouch Hard Roll Paper Towel Dispenser)—as much as a 200% decrease when compared with using either jet or hot air dryers. And, rather than blowing germs into the air during use, the papertowels are thrown neatly away. These paper towel rolls offer terrific hand drying performance, so your guests will waste less. A healthy workplace is a happy workplace, and providing high-quality Kleenex[®] Hard Roll commercial paper towels to your guests, clients and employees is one important piece of the puzzle.

- Kleenex[®] paper towel rolls give soft feel with the premium performance of commercial paper towels
- Absorbency Pockets absorb lots of water fast for superior hand drying performance, so guests use fewer paper towels
- Paper towel rolls: 1.75" core size and 7.9" roll diameter
- Compatible with a variety of Kimberly Clark paper towel dispensers

Product Details

Brand:	Kleenex [®]
Size:	8.0" x 600' / 20.3cm x 182.9m
Color:	WHITE
Pack 1:	1 Case = 6 Roll(s)
Pack 2:	1 Roll = 600 Feet(s)
Pack 3:	1 Case = 3600 Feet(s)
RF Content:	50%
Min PCW %:	40%
Gross Weight:	21.380 LB
Case Size:	24.000 X 16.000 X 8.375 IN
Cases/Layer:	5 Case(s) per Layer(s)
Layers/Stack:	12 Layer(s) per Stack(s)
Cases/Stack:	60 Case(s) per Stack(s)
Case Volume:	1.861 FT3
