

Detectamet Stainless Steel, Metal Alloy, brass and Anodised Aluminium finish based products
Not Intended for contact with food but used in food preparation areas

Declaration of Compliance Statement

Applicable Products:

This statement refers to metals and alloys used in the manufacture of pens, metal stationery and other products not intended for direct food contact but which may be used in food preparation areas.

Regulations and Standards

We confirm that the stainless steel, metal alloys and anodised aluminium used in the manufacture of these products is suitable for incidental short term contact with food on the basis that specific metal release limits of the Council of Europe (COE) Resolution CM/Res (2013) 9 on metals and alloys used in food contact materials will not be exceeded.

Metal Case Pen	Without clip	115M-I02-PA05
Metal Case Pen	ring attachment	115M-I02-PA04
Metal Case Pen	pocket clip	115M-I02-PA01
Stainless Steel Retractable	Brass finish	114-A05-I02
Stainless Steel Retractable	Stainless steel finish	113-A05-I02

*All codes are based on a standard black refill
