Product Recovery Spare Parts

Keep your product
recovery system
operating at optimum
performance.

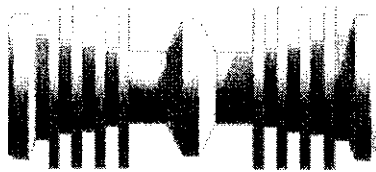

Features

- Available in urethane or silicone
- Meets 3A and FDA requirements
- Projectile detection available
- Projectile can pass through sanitary tubing, fittings, and full-port valves

Benefits

- Projectiles are designed for multiple uses
- Food grade materials for product contact surfaces
- Sensor provides positive indication of projectile passing
- Certificates of conformance are available

Product Recovery Spare Parts

Eight-Wiper Projectile

Made from solid, molded urethane

Tube OD	Item (w/o Magnet)	Item (w/ Magnet*)
1 ½	PR-P15-BSR	PR-P15-BDR
2	PR-P20-BSR	PR-P20-BDR
2 ½	PR-P25-BSR	PR-P25-BDR
3	PR-P30-BSR	PR-P30-BDR
4	PR-P40-BSR	PR-P40-BDR

Greater flexibility & efficiency, with a range of applications

Four-Wiper Projectile

Made from solid, molded urethane

Tube OD	Item (w/o Magnet)	Item (w/ Magnet*)
1 ½	PR-P15-ASR	PR-P15-ADR
2	PR-P20-ASR	PR-P20-ADR
2 ½	PR-P25-ASR	PR-P25-ADR
3	PR-P30-ASR	PR-P30-ADR
4	PR-P40-ASR	PR-P40-ADR

Ideal for viscous material and/or large particulates

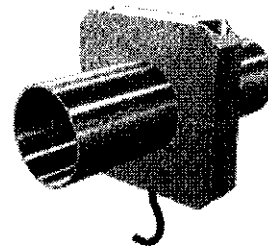

Silicone Projectile

With Magnet

Tube OD	Item
1 ½	PR-P15-CDX
2	PR-P20-CDX
2 ½	PR-P25-CDX
3	PR-P30-CDX
4	PR-P40-CDX

Easier to clean

Projectile Sensor

Tube OD	Item
1 ½	PR-S15
2	PR-S20
2 ½	PR-S25
3	PR-S30
4	PR-S40

Detects magnet within the pig

All dimensions are shown in inches.

*Magnet is required when pig sensor is used.
