

THE STORY

Our Lizard® Safety Utility Knife was developed as a safe alternative to standard utility knives, minimizing the occurrence of loose razor blades in the workplace and preventing laceration injuries.

BENEFITS

- ▼ Reduces the medical, legal and lost time costs associated with injuries caused by loose blades in the workplace
- ▼ Patented spring activated blade guard protects users by closing after each cut
- ▼ Minimizes product contamination

FEATURES

- ▼ Stainless steel blade resists corrosion & breakage
- ▼ Manual blade guard lock gives users added protection against laceration injuries
- ▼ FDA compliant, food-safe materials
- ▼ High visibility color
- ▼ Easy to clean, dishwasher & sanitizer safe
- ▼ Serial numbering available

Item #LZ-S

TO LOCK: Push blade guard forward until it clicks

Lanyards Available

- #GS1030 (7.25 in, nylon strap)
- #GS1025 (11.25 in, adhesive disk)

CAUTION: Products that provide "cut resistance" and "cut protection" or "puncture resistance" do not prevent or eliminate the potential for cuts or punctures.
