

## Spellbound® VPB02101 Viper Safety Bag Opener

Item#	Color
35383	Orange
47451	Blue

Open bags effortlessly with this Spellbound® VPB02101 Viper® safety bag opener. A press, grip, and slide motion opens bags ranging from Tyvek to those that are vacuum sealed, and its design eliminates the need for knife or scissor cutting or attempted tearing by hand. This bag opener is FDA-compliant and NSF-certified for use around food. The Spellbound® Viper® safety bag opener is ideal for many industries, including food service, construction, and baking.

- FDA-compliant
- NSF-certified for use around food
- Dishwasher safe and corrosion resistant
- Fits in pockets for convenient transport
- Design decreases chance of cuts to bag contents or skin
