

The new BRUTE Container keeps getting better. Built with its trademark durability and toughness, the BRUTE Container's newest innovations improve productivity and ease-of-use. Venting channels and integrated cinches help you finish the job faster with a lot less effort.

			
Venting Channels Removing liners is now 50% easier.	Integrated Cinches Secure liners for efficient knot-free liner changes.	Seamless Construction Helps make cleaning easier. NSF 2 & 21 Compliant.	Contoured Base Handles Improve grip, reduce strain and improve efficiency.

			
Commercial Grade Construction Proprietary design plus a UV inhibitor ensures long life.	Rim with Strengthened Design Integrated rib structure increases strength and resists crushing.	Rounded Handles Makes lifting easier, resists tearing and damage.	Reinforced Base Built to withstand rough surfaces for extended life.
