

NORTH 7700 & 5500 SERIES HALF MASK

North 7700 Series Half Mask
"The industry standard"

North 5500 Series Half Mask
"The economical alternative"

Product Description

The North 7700 and 5500 Series half masks consist of a facepiece, head harness, cartridge connectors and exhalation valve. Half masks are available in three overlapping sizes of small, medium and large. When used with the appropriate cartridges, filters and/or adapters, and within the appropriate Maximum Use Concentrations (MUC), North 7700 and 5500 half masks provide protection from gases, vapors and particulates.

These masks are not approved for protection for use in atmospheres that are Immediately Dangerous to Life and Health (IDLH), including atmospheres with less than 19.5% oxygen.

Certification

North 7700 and 5500 Series half masks are approved by the National Institute of Occupational Safety and Health (NIOSH) as:

1. air-purifying respirators when used with North cartridges and/or filters;
2. air-purifying respirators with backpack adapter when used with North cartridges and/or filters;
3. powered air-purifying respirators when used with North Compact Air PAPR and accompanying cartridges and/or HEPA filter; and
4. Type C continuous flow airline respirators when used with North CF2007 breathing tube, hoses and couplers.

Warranties: North products are covered by and subject to the terms and conditions of the North Safety Products Limited Warranty that appears in our annual price list. The North Safety Products Limited Warranty is the only written warranty of any force and effect, and all other written warranties are disclaimed in their entirety. In no event shall North Safety Products or any of its authorized dealers be liable for any damages in excess of the purchase price of the relevant product. This limitation applies to damages of any kind, including but not limited to direct or indirect damages or other special, incidental, exemplary or consequential damages, whether arising out of the use or inability to use the product, even if we or any of our authorized dealers has been advised of the possibility of the damages or any claim by any other party. Servicing of any product with parts not approved by us will void the warranty and may result in loss of any certification or approval applicable to the product.
