

PRODUCT INFORMATION

Item # 2203332

SP BEL-ART SAMPLING SCOOP; 75ML (2.5OZ), PLASTIC (PACK OF 12)

Catalog No. : F36749-0000
UPC No. : 191634049180

These plastic scoops are rigid, strong and smooth. A flat bottom keeps them upright when filled or empty, allowing them to be used as weighing boats or to be placed on a flat surface.

- 60 and 125ml scoops have a longer handle that increases the distance between the hand and sample
- Rugged polypropylene; steam autoclavable at 121°C (250°F)
- Comply with FDA regulations for food, drug and cosmetic use
- Special prices on yearly contracts for large quantities are available on request

These sampling scoops are designed for retrieving samples from a larger source. Capacity/volumes are estimated and are not meant for taking exact sample weights/volumes. Stated volumes represent typical heaping samples.

| Catalog No.: | Nominal Capacity | Dimensions (L X W X H) | Bowl (L X W X H) | Handle Length | Quantity / Pack |
