

PCS

POWDERED CHLORINATED SANITIZER

DESCRIPTION PCS is a non-foaming, EPA registered sanitizer for sanitizing pipelines, bulk tanks and utensils. Use PCS as an important part of your total C.I.P. sanitation program. Just before milking, sanitize with PCS, drain and your system is sparkling clean and sanitary.

- BENEFITS/ FEATURES**
- EPA registered.
 - Approved as a no-rinse sanitizer.
 - Passed stringent independent test procedures.
 - Effective against a broad spectrum of microorganisms.
 - Reduces chance of contaminating equipment after sanitizing.
