

BSI 2 Gallon Pump-Up Sprayer

The BSI 2 Gallon Pump-Up Sprayer is a heavy-duty, portable spray applicator for applying ready-to-use chemicals on to any surface. This professional model features a more durable 4' hose, trigger gun, wand, and fan nozzle compared to your typical pump-up sprayer.

Key Features

- Compact unit with manual pump
- Maximum portability for small jobs and spot cleaning
- Pressure relief valve for safety
- Viton seals for chemical compatibility
- Natural color tank for easy visibility of product levels

Includes

- Heavy-duty 2 gallon tank
- Heavy-duty manual pump
- Viton seals and O-rings
- Pressure relief valve
- Heavy-duty 4' discharge hose & trigger gun
- Polypropylene trigger gun with 40° fan tip

Requirements

RTU Chemical Solution

Temperature up to 100°F

Chemical Compatibility:

Chemical products used with this equipment must be formulated for this type of application and compatible with unit materials and pump seals. For more information on chemical compatibility, consult the SDS for your product or contact our customer service department.
