This purpose of this letter is to inform you that all of the ingredients used in the above referenced Rainmaker Polymers product are listed in one or more of the following sections of Title 21, Code of Federal Regulations (21CFR):

177.1570

178.2010

178.3297

The above-referenced sections represent the official sanction of these ingredients by the US Food and Drug Administration for direct and indirect food contact. The statement of FDA compliance in this letter is predicated on the assumption that this product will not be altered by the addition of any non-regulated substances.

Food contact surfaces must be manufactured in accordance with good manufacturing practices as outlined in 21 CFR 174.5.

If you have any questions, please feel free to contact me at your convenience.

Sincerely,

Lee M. Luckasevic
