

Versatile & Durable

The **Champion** is an automatic touchless multi-line dispenser for soap or sanitizer made with stainless steel. Suitable for wet or dry environments. Designed with large crews in mind, the **Champion's** 2-gallon gravity fed reservoir can accommodate up to 5 dispensers and 2 reservoirs per configuration. Infrared sensors detect the presence of hands, dispensing a pre-measured application of soap or atomized sanitizer. Includes polycarbonate sight glass for monitoring soap or sanitizer levels. Field serviceable.

AD 10008 Champion Sanitizer Reservoir
