Details

- Includes a standard visor and standard face seal.

Used with an approved air source, M-300 Series hardhats provide respiratory (OSHA APF=25) and limited head (ANSI Z89.1-2003 Type 1 Class G) and eye (ANSI Z87.1-2010) protection. The M-305 assembly includes a standard visor and standard face seal.

The M 305 assembly includes a M 925 Visor and M 935 Face Seal. The M 925 visor is made of polycarbonate. The M 935 face seal is appropriate for general purpose use.
