

Medium Duty Splash Protection Vinyl Aprons

- These medium duty aprons feature 5-6mil die cut PVC and offer users a combination of chemical splash protection and flexible comfort
- The one-piece construction is economical, and features integral head opening and ties
- Seamless vinyl construction minimizes opportunity to trap contaminants and is easy to clean

Industries

- Food Processing
- Life Sciences

Applications

- Packing of fillets and ground meat
- Canning
- Bottling
- Storing and transportation
- Equipment maintenance and repair
- Plant disinfection and sanitization
- Transferring liquids

PRODUCT INFORMATION

Reliable Protection

- Wherever oil, grease and chemicals are present, Ansell aprons help workers keep clean and protected from harmful contact
- PVC (Vinyl) aprons traditionally offer excellent protection where splashes from acids and caustic bases are a concern

Durable

- The die cut PVC construction features superior flexibility yet offers excellent resistance to abrasion and puncture
- Integral ties provide an economical solution for adjustable fit

Comfort and Selection

- Bib styles in two sizes with adjustable ties ensure optimal fit for a wide range of users
