

# Product Details

These white 4" x 7" absorbent meat, fish and poultry pads will improve the appearance and shelf life of prepackaged meats at your deli counter or butcher shop by absorbing excess juices. By improving the appearance of your prepackaged meat products with these absorbent food pads, you'll attract more impulse purchases!

Each absorbent pad features virgin cellulose fibers for maximum absorbency, wrapped and sealed on all four sides by a polyethylene film, with perforations on one side. These 4" x 7" white absorbent meat soaker pads have a 40 gram liquid absorption capacity and comply with USDA and FDA requirements.
