Re: Clartec Part # SNL (Gray, White, Red, Blue, Green, Black, Yellow, Orange)

November 21, 2014 q1 Clartec Part # SNL (Gray, White, Red, Blue, Green, Black, Yellow, Orange)

This will acknowledge your submissions, concerning the aforementioned non-food chemical products for which you have requested acceptance for use in food processing facilities.

Nous accusons réception de vos soumissions, concernant les produits cités en rubrique pour lesquels vous demandez une acceptation pour utilisation dans les établissements de transformation alimentaire.

Based on the available information, no objection will be taken to the use of the above mentioned material, provided its use meets with the conditions outlined in the letter of non-objection from Health Canada.

Sur la base des informations disponibles, nous n'avons aucune objection à l'utilisation du matériau ci-haut mentionné, pourvu que son utilisation rencontre les exigences de la lettre de non-objection de Santé Canada.

Therefore, no objection will be taken to the use of the above non-food chemicals in food facilities, provided that they are used in keeping with the instructions outlined on the labels.

Ainsi, nous n'avons aucune objection à ce que les produits chimiques non alimentaires ci-haut mentionnés soient utilisés dans les établissements alimentaires, à condition qu'ils soient utilisés conformément au mode d'emploi indiqué sur les étiquettes.

This acceptance of these non-food chemicals will depend upon its continued acceptability to all concerned.

L'acceptation de ces produits chimiques non alimentaires sera conditionnelle à la satisfaction de toutes les parties intéressées.

Canada
