

# PRODUCT INFORMATION

Item # 7003176

Product Name	Description
DCT051-0650	Disposable Culture Tubes, Plain, Borosilicate Glass, 6 X 50 mm, 0.75 ml

## Disposable Culture Tubes, Plain, Borosilicate Glass

Disposable culture tubes are manufactured from high quality 5.1 expansion borosilicate glass. Rimless design enables easy plugging using a stopper. Caps not included. Meet USP Type I and ASTM E438, Type I, Class B requirements. Tubes are packaged in shrinkwrapped boxes to keep them particle-free, and four boxes are included in each case.

**DETAILS**
