### OSHA HAZARD COMMUNICATION STANDARD

The Occupational Health and Safety Administration’s Hazard Communication Standard, which prescribes the use of Material Safety Data Sheets, exempts manufactured "Articles" from its requirements [29 CFR 1910.1200]. OSHA's definition of "Article" is descriptive of Balcan Plastics’ products, i.e.: “ a manufactured item: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent ... upon its shape or design during end use; and (iii) which does not release, or otherwise result in exposure to, a hazardous chemical, under normal conditions of use.”

For the foregoing reasons, the products manufactured by Balcan Plastics & First Film Extruding (Div. of Balcan Plastics) are exempt from the OSHA Hazard Communication Standard.

### DISPOSAL CONSIDERATIONS

All disposal practices must be in compliance with all current applicable Federal, State/Provincial and local laws and regulations. Waste characterizations and compliance with applicable laws are the responsibility solely of the waste generator. Balcan Plastics Limited has NO CONTROL OVER THE MANAGEMENT PRACTICES OR MANUFACTURING PROCESSES OF PARTIES HANDLING OR USING THIS MATERIAL. FOR UNUSED & UNCONTAMINATED PRODUCT, the preferred options include sending to a licensed, permitted Recycler, Incinerator with energy recovery.
