**FDA COMPLIANCE CERTIFICATION:
ALPHATEC® 58-735**

Thank you for requesting information concerning the suitability of Ansell **AlphaTec®** glove style **58-735** for use in direct food contact applications. Please be advised that all components used in the manufacture of this style comply with applicable FDA food additive regulations as prescribed by the FDA Code of Federal Regulations, Title 21, Part 177, Section 2600 (21 CFR 177.2600), "Rubber articles intended for repeated use", and therefore are acceptable for use in USDA-regulated food processing and food handling establishments.

If you require further assistance, please feel free to contact us.

Sincerely,

Paul B. McMorrow
