

January 1, 2014

Dear Sir or Madam,

This letter will confirm that the products listed below are manufactured with materials that are known to be compliant with the relevant parts of the FDA's 21 CFR guidance. Supporting documents follow this cover letter. Please feel free to contact me with any additional questions.

Sincerely,

Michael Garrison

Zionsville, In 46077

Dear Claudette,

In reply to your request please accept the following statement to confirm that Metro Plastics uses only those materials approved by Remco for your product.

Metro Plastics affirms that all of the material used for your product meet the strict guidelines for the materials and colorants specified by Remco and that all the materials that require FDA certifications are current as of this date. Remco will be notified of changes in materials or suppliers where FDA compliance is required.

Respectfully,

Lindsey Hahn,

President, Metro Plastics
