

DAIRY CYCLE-3™

CHLORINATED BULK TANK AND PIPELINE DETERGENT

DESCRIPTION **DAIRY CYCLE-3** is a chlor-alkaline pipeline and bulk tank detergent containing sodium hydroxide, water softeners, silicate base dispersants and chlorinating compound. Economical and effective butterfat, oil and protein cleaning and soil removing properties.

SPECIFICATIONS

Color	Pale Yellow
Form.....	Liquid
Foam	None
Freezing Temperature.....	Below 0° F

DIRECTIONS

1. Pre-rinse with clear warm water (110° F).
2. Mix 1 ounce **DAIRY CYCLE-3** per 2 - 3 gallons of 165°F water.
3. Circulate for 10 minutes and drain. Do not let wash solution drop below 120° F to prevent soil redeposition.
4. Rinse with clear water.
5. Rinse or wash with acid solution or use StatiBac acid sanitizer (according to label instructions) and drain.
6. Sanitize prior to use.

For best results, consult your Universal technical representative.

FIRST AID **DANGER! KEEP OUT OF REACH OF CHILDREN!**

Corrosive. Contains Lye (Sodium Hydroxide). Causes severe burns to skin, eyes, and mucous membranes. Avoid contact with skin, eyes and mucous membranes. Avoid breathing fumes. Wear protective apron, gloves, and goggles or face shield when handling this product. Wash thoroughly after handling this product.

DO NOT MIX WITH ACIDS. Deadly chlorine gas will form immediately.

In Case of Contact: Immediately flush eyes and skin with plenty of water for at least 15 minutes while immediately removing contaminated clothes and shoes. Get immediate medical attention. Wash clothes before reuse.

If Swallowed: Do not induce vomiting. Give victim large amounts of milk or water. Get immediate medical attention. Never give anything by mouth to an unconscious person.

If Inhaled: Remove victim to fresh air. Get medical attention.

Read and understand **all** label instructions before using this product. For additional information refer to the Material Safety Data Sheet available from your Universal dealer.
