

Black Nitrile Industrial, Textured, Powder Free

GPNB

Item Codes:

GPNB44100 M
GPNB46100 L
GPNB48100 XL
GPNB49100 XXL

GENERAL DESCRIPTION

Black nitrile gloves offer the same latex free protection as standard blue nitrile, in a great new professional color! Combining superior comfort and strength with unsurpassed tactile sensitivity, these industrial grade gloves hold up better against rips and tears than other synthetic gloves. Textured to provide excellent non-slip wet gripping power, they are also powder free so they won't interfere with fresh paint or adhesives. Perfect for automotive, industrial applications, or anywhere a high-tech or hard-working image is valued. Not for medical use. 100 gloves per box, 10 boxes per case.

NITRILE WARNING: Components used in making nitrile gloves may cause allergic reactions in certain individuals.
