Tingley Orion® Overshoe with Gaiter

Navigate the winter landscape with confidence in Orion overshoes.

Features:

- Sturdy nylon upper with a lightweight polyurethane midsole and a durable thermoplastic rubber (TPR) outsole to create an anti-fatigue overshoe with heavy-duty performance.
- Roomy interior design, extra wide gusset, and hook & loop closure accommodates oversized work boots and allows for a customizable fit.
- Waterproof and durable with a polypropylene foam liner to provide cushioning and insulation.
- Reflective accents on all sides offer enhanced visibility in low light conditions.
- Outsole is designed for stability and grip—the TPR stays flexible in cold temperatures, and the deep lug, self-cleaning treads have a variety of angles and surfaces for traction in snow and slush.
