Thermotrack™ Thermo Button Temperature Logger & Software

Use with Thermotrack PC Pro Software to monitor and record your temperatures during transportation of milk samples. Collected data is stored with date and time in the protected memory.

Stock #	Description
250-3100	-40 to 85°C Temperature Logger
250-3205	Thermo Button Waterproof Capsule

Thermotrack™ PC Pro Software

Use to mission your Thermo Buttons to set the sample rate, clock, alarm thresholds, and associate a Thermo Button with a lot number or vehicle.

To use, plug the reader into the USB connection on your PC and place the button on the reader.

Stock #	Description
250-3800	PC Pro with Reader & USB Cord

Sampling

QualiTru™ Sampling System

The QualiTru side or rear-sampling port offers true representative samples while allowing drivers to remain on the ground. Our NCIMS approved sampling system is easy to use and easy to install. With the use of the QualiTru Aseptic Septum and portable pump, along with a QualiTru Composite Sampling Bag (109-3200), a sample can be obtained as the truck is being unloaded. TruDraw is a sterile, 2-oz sealed container with an attached 18 gauge needle, making sampling easy.

Stock #	Description
109-3023	7-Port Sanitary Recessed Security Port, 5-1/2" x 5"
109-3027	Aseptic Sampler Membrane, 7-Port
109-3240	TruDraw 2-oz vial with 18 gauge needle, 50/bx

Capitol Plastic Products Vials, 2-oz

Aseptic and guaranteed leak-proof with a triple seal. These dairy vials are an economical option for your sampling and storage needs. Meets all FDA and PMO requirements. A variety of colors are available; please visit our website for all color options.

Stock #	Color	Packaging
210-3222	Translucent	600/ca

Floating Vial Rafts

Stock #	Description
170-3060	24-Vial Raft for 2-oz Vials

Stainless Steel Dippers

Accurately measure capacities of 20, 30, 60, or 90 mL. Overflow hole ensures accurate measure. Convenient hooked handle. 301 stainless.

Stock #	Size	Length	Unit
636-3020	20 mL (2/3-oz)	30"	EA
636-3030	30 mL (1-oz)	30"	EA
636-3033	60 mL (2-oz)	22"	EA

Security Seals

Protect your products with tamper evident seals. Broken seals indicate product integrity may be at risk. Seals are available in multiple sizes, styles, colors and materials. Most seals can also be custom imprinted. If you don't see what you need listed here, call our product specialists for assistance.
